### Chapter 2:

She's gone, I'm sad.

Too young, where's dad?

### Chapter 3:

Tip toe, tip toe, down the halls

Hope she doesn't hear me call

Tip toe, tip toe, past her room

Hear her lying, what's abuse?

Soap in my mouth please, ground me for a sneeze,

I'm too young to know how to leave.

Brother, save me, please.

### Chapter 4:

No more drama, I'll be a good kid.

The best kid you never had,

I just want to make someone glad.

Thanks to my brother,

And a big thanks to me.
